

*Effective Worship Ministry*

---

**The Role of the Worship Leader**

**1. Written Theological Statement of Worship**

Write a Philosophy of Worship Music Ministry  
(regardless of your position or status in fellowship or church)

**2. Creative Ideas for Worship**

Spend some time to read and meditate on Psalm\_\_\_\_\_

Then split into groups to try some different forms of communicating the message.

- Create a short skit to drive home the meaning of the Psalm
- Creating a drawing that produces imagery of the Psalm that was read
- Writing a song or poem that captures the essence of the Psalm, perhaps even using straight scripture
